

Frigoriferi Vitrifrigo / Vitrifrigo Refrigerators

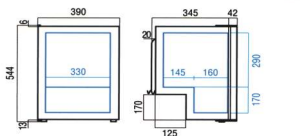

Frigoriferi Ocean con Gruppo Interno Danfoss

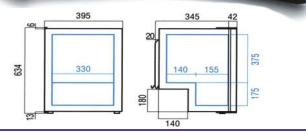

I frigoriferi della serie Ocean con gruppo refrigerante incorporato sono di facile installazione e vengono consigliati in tutti i casi in cui sia possibile creare una sufficiente ventilazione nella zona posteriore del gruppo.

The refrigerators with internal cooling units are easy to install and are recommended in all cases where it is possible to create a sufficiently ventilated area behind the refrigerator, in proximity to the cooling unit.
